

CHICHESTER RIFLE & PISTOL CLUB

The Range, Wellington Road, Chichester, West Sussex, PO19 6BB

www.chichesterrifleclub.co.uk

Information for applicants

- We shoot .22 calibre rifles over 25 yards at the range in Chichester and full bore/.22 outdoors at Bisley and some other ranges.
- You need to be at least 12 years old to join the Club. If you are aged between 12 and 14 a parent or guardian must accompany you on every visit to the Club.
- On your first visit you can fill out and hand us your application form which will take one week to process.
- On your next visit you will be able to shoot, using Club equipment and with the guidance of an experienced Club member, once your six months probationary member's subscription has been paid. This is set at half the full annual subscription which currently (2010) is £90 for adults (18 and over) and £41 for juniors (under 18) or students in full-time education. The annual subscription includes membership of the NSRA (National Small Bore Rifle Association) to which we are affiliated.
- Your first 6 months is a probationary period. During this time experienced Club members will help you learn to shoot .22 rifles safely and, we hope, with increasing skill. At the end of this period assuming you have shot regularly you will be able to request full membership of the Club.
- Probationary members shoot on Wednesday evenings between 7:30 and 9:30 p.m. Full members also shoot on Monday and Friday evenings.
- For further information please look at the Club's website www.chichesterrifleclub.co.uk or come to the Club on a Wednesday evening and speak to the range officer. If you are interested you can pick up an application pack.
