General Data Protection Regulation 2018 Press Release

The new General Data Protection Regulation 2018 requires the Club to obtain specific consent from all members before publishing/sharing any personal information.

Some competition results, including names and scores may be published on the Club's website. The Club may also provide press release reports to the media from time to time, including photographs of prize winners and these may be published in newspapers or magazines.

Please indicate your consent, or not, by signing below:

I * do/do not give permission for my name, team details and scores to be published/shared as detailed above. (please delete as appropriate)

Members name (please print)
