Bank Details: Santander UK

A/c Name: Chichester Rifle and Pistol Club

Sort Code: 09-01-28

A/c No: 06406210

- * Probationary Fees are due when you join and last a full 6 months probationary period.
- * Annual Subscriptions are due on 1st April.
- * Members who do not wish to renew should inform the club as soon as possible.
- * Subscriptions not received by 30th April will automatically cancel any membership.
- * Members that hold a current FAC are reminded that they must remain full members of their primary Home Office approved shooting club for their certificate to remain valid.

NSRA Membership - CRPC is affiliated to the NSRA, but please note that Annual Subscriptions do not include individual NSRA membership.

The Committee recommends individual membership to the NSRA as a means of support for the National Body of the sport. This is particularly important for all those who own their own shooting equipment.

www.nsra.co.uk

Insurance - All club members have personal liability insurance cover under the Club policy while taking part in Club activities. However this does not cover members' personal equipment at any time. Those with their own rifles should arrange their own insurance cover and individual NSRA membership offers a suitable policy as part of their membership package.
